Surface Treatment

For ceilings, glazed surface treatment provides protection against yellowing; for walls, we recommend an additional coat of water-based paint. Other glazed paint finishes in various colours are also available.

Finger-jointed white fir

picture shows 60x25 cm

Knotty spruce

picture shows 60x25 cm

Country oak

Elegant grey

White 10%

White shade 5%

Please ask for our sample collection to experience the nativeness of the surface.
